

Yellow warning  
**Rain**

Between  
**06:00 Fri 28 Feb 2020** and  
**06:00 Sat 29 Feb 2020**

**Heavy rain over south Wales on Friday and overnight into Saturday may lead to further disruption for recently flood hit communities.**

### What to expect

- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing a danger to life
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

### Further details

Spells of heavy rain will affect parts of Wales from early Friday through to Saturday morning. 20-40 mm rain is likely to fall quite widely, with 50-70 mm over high ground, and perhaps as much as 100 mm in one or two very prone upland spots. The heaviest rain is most likely on Friday night before clearing eastwards on Saturday morning.

✓ Low likelihood of medium impacts
